Re: EPA's Continued Funding Letter of April 3, 2008 for the San Fernando Valley
North Hollywood Existing Remedy

Dear Mr. McAbee:

This letter is intended as a follow-up to EPA's letter to you of April 3, 2008 regarding the upcoming meeting on May 1, 2008. The purpose of this meeting is to discuss continued funding of the ongoing extraction and treatment system at the San Fernando Valley North Hollywood Operable Unit. The meeting will be held at 10:00 a.m. in EPA's Los Angeles offices which are located at 600 Wilshire Blvd., Suite 1460, Los Angeles, California, 90017. For purposes of notifying building management to allow for visitor access, prior to April 30th please confirm in an email to me at the address listed below, the names of each person who will be in attendance. If you have any questions regarding this meeting, please feel free to give me a call or send me an email.

Sincerely,

A handwritten signature in black ink, which appears to read "Michael Massey", is written over a horizontal line.

Michael Massey
Assistant Regional Counsel
U.S. EPA ORC-3
